## Access Options [check all that apply]

**USER NAME & PASSWORD** (Your User Name and Password can be used in lieu of the IP address to allow direct access to individual ebooks through MARC records on your circulation system.)

Please choose a memorable and unique user name and password combination. This allows access to your ebooks by requiring a user name and and password log in before you connect to the homepage. **User names and passwords are limited to 10 characters each.**

**IP ADDRESS AUTHENTICATION**

Please provide the IP address or range of your server. This allows you to bypass the log in page asking for a user name and password. Please note that IP authentication does not work remotely (from home) and if an IP address changes after account has been set up, epointbooks.com must be notified so we can change this information in your customer account. **Contact your system administrator if you are unsure where to find this information.**

IP Address: \_\_\_\_\_ to (if range): \_\_\_\_\_

**REFERRING URL ADDRESS**

This option allows seamless access to your ebooks through your school's web site. Please provide the URL address(es) to the web page(s) on which you will include your ebooks' link(s). Our system will then authenticate users who access the ebooks from this page. **Contact your system administrator if you are unsure where to find this information.**
